LIVING HIGH.
The price of liver's soaring.
Like a Curtiss aeroplane;
The tax that's made for round steak,
Fill me with dismay and pain;
They look you up in Bradstreet's
If you ask for tenderloin,
And what they charge for rib roast
Staggers organ with its coin.
In oiden days "my kingdom
For a horse," they used to say—
That's what the dealers soak you
For a pound of chops today.
To get the cost of capon
Why a Bank you'd have to rob.
Last week I saw a woman
Saint when told the price of squab.
A Gonid or Astor may have
Turkey on Thanksgiving Day,
But common millionaires must
Dine on scrambled oats or hay.
And as for you and me, pal,
Even ham's beyond our means;
But, bless your soul! I'm thankful
That I've got the price of beans.

"SAINT ROOSEVELT" will hardly have a sacred sound to the commercial robbers in the higher-up places of American business.

The lust for wealth often leads people to fall prey to gold-brick men, green-goods men and other knaves. That is one of the penalties they pay for wanting to make money too fast and without regard to honesty.

It is hardly reasonable to suppose that the people of the great State of Kentucky will quietly sit back and allow Winchester to wreak vengeance and revenge through our Courts, simply because she lost a big commercial enterprise.

THE Ohio State Board of Pharmacy has adopted a resolution to prohibit the sale of medicines on street corners by unlicensed persons. The resolution will be embodied in a bill to be presented to the next Legislature for enactment into law.

THE repudiation of the State-wide Prohibition proposition down in Alabama by an enormous vote is a mighty big straw which shows how the temperance wind is blowing and wobbling. We don't mean any disrespect to the temperance movement when we again declare that local option, State-wide Prohibition, and the other isms along the same lines, as remedies for drunkenness, are lamentable failures and travesties on sobriety.

Not a "Cure-All"

Separate Remedies, Each Devised for the Treatment of a Particular Ailment

There is no "cure-all" among the Rexall Remedies. There are different and separate medicines, each one devised for a certain human ailment or a class of ailments closely allied. For instance, Rexall Dypsopas Tablets are recommended for the positive relief of stomach irritation, indigestion, flatulence and dyspepsia. They are rich in Bismuth-Subnitrate, Papain and Carminatives. They are prepared by special processes which perfect and enhance the great remedial value of these well-known medicinal agents. This remedy sells for 25 cents, 50 cents and \$1 per package. Every one suffering from stomach disorder should try Rexall Dypsopas Tablets, inasmuch as they cost nothing if they do not satisfy.

Remember, Thos. J. Chenoweth's Drug Store is the only store in Maysville where these remedies may be obtained, and every one in need of medicine is urged to investigate and take advantage of the frank and generous manner in which they are sold.

Why Cough

Ask your doctor if all coughs are necessary. If not, then why cough? Ask him about Ayer's Cherry Pectoral.

Stop coughing! Coughing rasps and tears. Stop it! Coughing prepares the throat and lungs for more trouble. Stop it! There is nothing so bad for a cough as coughing. Stop it! Ayer's Cherry Pectoral is a regular doctor's medicine for coughs and colds.

A Plea for Mercy.

oooooooooooo

Ladies' Home Journal.

"I saw girls of 17 and 18 weeping with pain and weariness at 11 o'clock at night as with shaking fingers they made their counters attractive against the next day's brutal rush. I saw one girl drop in a dead faint after selling dolls to a fond mother of children. I saw little boys fall asleep in rubbish corners at the noon hour, their untasted luncheons in their tired hands.

"That night when I went to my supper I saw a boy, small for his 16 years, sitting on a box before the employees' elevator, for which he waited. He looked up at me and with the craving for sympathy innate in children, he sighed softly: 'Oh, my God, I wish 11 o'clock would come!'

"Pathetic, you say? Yet, but who is responsible for such sufferings? The women who delay their Christmas shopping until the last moment, for the above is an actual picture of poor worn-out and nerve-racked store clerks in Christmas week when the thoughtlessness of thousands of women compel shopkeepers to keep open their stores in the evenings. What trait is it in woman that she will procrastinate in her Christmas shopping? Is it so strange that she is called heartless and inhuman? We believe it is only heedlessness, but is this not being heedless to the point of being criminal? Cannot the average woman realize that it is to her own advantage, to say nothing of common human mercy to the shop clerks, to do her Christmas buying before December 15th? Every woman who does this does a Christlike act.

LOOKS DANGEROUS

Limestone Creek Embankment Caving In—Undermining Foundation Supporting C. and O. Viaduct Pier

The heavy stone abutment supporting the iron viaduct, together with one section of the massive structure that crosses the bottoms East from Limestone to Bridge street, looks shaky, at least, if not dangerous.

The frequent freshets that pour out of Limestone Creek have caused the bank—owing to the sharp curve in the water course at this particular point—to slide into the creek bottom, thereby jeopardizing the safety of the foundation of one section of the superstructure, together with the North wing of the abutment wall.

The fact that fifty or more trains, passenger and freight, pass East and West over the viaduct every day should be an incentive for those having charge of keeping the road in proper condition to look into the matter.

MAYSVILLE, KY.

"Mel Turner's wife traded her ironin' board, a corner cupboard, a new flour barrel, an' \$24 for a Hoosier Special."

She got the "best" kitchen cabinet at a bargain—your bargain is even better.

Only one factory in the world makes the "best" kitchen cabinet, and we are fortunate in having engaged for you a part of the special output they made up for Christmas.

The Hoosier Special at \$27.50 is made by skilled artisans who use both hands and brains, and think constantly about your little comforts and conveniences that count in your work.

That is why Hoosier Specials (on our agreeable club terms) are such favorites for the holidays, and it is not for long we can promise as we do now, "Immediate delivery."

Mr. Husband: You ought to talk to us. Christmas you know.

For this reason we should like to introduce this Hoosier Special to you personally now, with an easy plan for owning one. Even though you examine the cabinets several times, you need not feel under the slightest obligations to purchase.

RIVER NEWS.
The gage marks 5 6 and rising.

The Red Rover, a gasoline pleasure boat from Charleston, W. Va., is on her way to New Orleans with a party of hunters aboard.

Rivermen at headwaters are greatly disappointed over the prolonged low water stage. A heavy snow in the mountains is now the main hope.

Captain W. A. Walker, who had command of a number of Ohio and Mississippi river boats during the '70s and early '80s, died the past week at Memphis.

At Pittsburgh, a booklet is being circulated among the rivermen, entitled "What Congress Has Done for the Improvement of the Ohio River." The pages in the booklet are all blanks with the exception of the last, which has a line reading, "Dam little."

River News Louisville Courier-Journal: "Henry McLanahan, engineer of the steamship Indiana, has resumed his duties, after being ill at his home in Maysville for several months with rheumatism. His fellow employees were glad to see him back and hope that the rheumatism steers clear of Mr. McLanahan in the future."

Maysville People Have Found That This is True.

A cold, a strain, a sudden wrench. A little cause may hurt the kidneys. Spells of backache often follow. Or some irregularity of the urine. A certain remedy for such attacks, A medicine that answers every call, is Doan's Kidney Pills, a true specific. Thousands of people rely upon it. Here is one case:

Ernest H. Staley, East Second street, Vanceburg, Ky., says:

"I use Doan's Kidney Pills occasionally and can say that they never fail to give me prompt relief. I suffered from frequent spells of lumbago and at such times my kidneys became sluggish. An old gentleman finally recommended Doan's Kidney Pills to me and he spoke so highly of them that I procured a box and began their use. They were satisfactory in every respect and gave me the best of results. I always keep Doan's Kidney Pills on hand in case of any recurrence of my trouble."
